

ENVIRONMENTAL POLICY STATEMENT

Servomex aims to provide, maintain and continually improve the environmental management system to satisfy legal and moral requirements. On a Corporate level Servomex is a subsidiary of Spectris who appoint an executive committee (Board of Directors) at local level who are accountable for all aspects of environmental management and committed to pollution prevention.

Servomex recognises its responsibility to the environmental surroundings in which the organisation operates, including air, water, land, natural resources, flora, fauna, humans and their interrelation. Surroundings in this context extend from within the organisation to the global system.

The executive committee has appointed an Environmental Officer who has the organisational freedom and authority to review, maintain and improve the Environmental Management System within the standards required of ISO 14001.

Directors and Managers within the Company are responsible for ensuring that the activities under their control are effectively operated in accordance with the Environmental Management System and the associated documentation referenced.

The policy is posted within the company and readily available to persons working on behalf of the company, customers and the general public when requested.

Servomex Group Ltd will make adequate resources available to implement its environmental policy in full. The senior executives will meet annually to review performance and our policy will be kept under review and revised from time to time, as appropriate.

Signed:

Chuck Hurley
Managing Director
