

**EC REACH Regulation (1907/2006/EC) – Substance of Very High Concern (SVHC) information**

**SVHC:** Lead (CAS # 7439-92-1)

**Location:** 2700D1 Aluminium casting – outer surface painted with protective coating Trimate.

**Present in the following Servomex parts:**

Part number	Description
<b>02710401, 02710402, 02710410, 02710412, 02720401, 02720402, 02720403, 02720404.</b>	<b>Analyser enclosure LM27 (BS1490) contains less than 0.2% lead w/w</b>

**Safety information**

Hazard classification	What could cause HARM?	WHO might be harmed and HOW?	CONTROL MEASURES	Personal Protective Equipment to be use:
GHS08; serious health hazard  GHS09; Hazardous to the environment	Toxic for reproduction cat 1A (article 57c)	Operator No harm if exposure prevented by coating during normal use	No alteration to parts.	Disposable gloves.
	Carcinogenic Persistent, Bioaccumulative and Toxic	Installation engineer. How – by direct contact with uncoated aluminium casting.	Wear Gloves, Avoid contact with skin. Dispose of gloves after use. Wash hands.	<b>Safe working Method to be Followed:</b> 1. Use disposable gloves for handling; 2. Do not alter casting; 3. Wash hands after handling; 4. Casting to be disposed of in accordance with the WEEE directive.
		Harmful if ingested or inhaled	Dust not generated.	

**Disposal information**

This product is not intended for disposal in a municipal waste stream, but shall be submitted for material recovery and recycling in accordance with the local regulations implementing the WEEE Directive.
