

EC REACH Regulation (1907/2006/EC) – Substance of Very High Concern (SVHC) information

SVHC:

Refractory Ceramic fibres

Location: 02700D1 Fibre gasket 3931-6903 (02740/415/0)
Present in the following Servomex parts:

Part number	Description	Length (m)
02740702A, B, C, D, E, F	Probe SS Filtered	0.5, 1.0, 1.5, 2.0, 2.5, 3.0
02740705A, B, C, D	Probe Alloy Coarse Filtered	0.5, 1.0, 1.5, 2.0
02740705E, F, G	Probe Alloy Fine Filtered	0.5, 1.0, 1.5
02740712A, B, C, D, E, F	Probe SS Dual Filtered	0.5, 1.0, 1.5, 2.0, 2.5, 3.0
S2740998	Silicon Carbide Filter Spare	
X2740705C	Probe Alloy Filtered	
S2740415	Filter Spares kit	

Safety information

Hazard classification	How is substance HARMFUL?	WHO might be harmed and HOW?	CONTROL MEASURES	Personal Protective Equipment to be use: Safe working Method to be Followed:
GHS08; serious health hazard	Carcinogenic (article 57(a)) Inhalation; Cat 2 Carcinogen	Installation engineer. Dusts can cause chronic respiratory effects; May cause cancer by inhalation.	No alteration to parts. Wear Gloves. Avoid contact with skin. Dispose of gloves after use. Wash hands. Dust not generated.	1. Use disposable gloves for handling; 2. Do not alter Gaskets; 3. Do not generate dust; 4. Wash hands after handling; 5. Any waste gaskets to be disposed of as hazardous Waste.
		May cause skin irritation.		
		Causes eye irritation.		

Disposal information

This product is not intended for disposal in a municipal waste stream, but shall be submitted for material recovery and recycling in accordance with the local regulations implementing the WEEE Directive.
