

**EC REACH Regulation (1907/2006/EC) – Substance of Very High Concern (SVHC) information**

**SVHC:** Lead (CAS # 7439-92-1)

**Location:** Various components of pcbs situated inside the analyser

Present in the following Servomex analysers:

Part number	Description
01000 series 01800B1 01910B1 02001 series 02200 series 02700 series	04400 series 05100 series 05200 series 05400 series 05500 series 07900 series Various components contained within some pcbs have concentrations of lead above 0.1% w/w of the component. These components comply with EU RoHS using exemption Annex III 7c-I.

**Safety information**

Hazard classification	What could cause HARM?	WHO might be harmed and HOW?	CONTROL MEASURES	Personal Protective Equipment to be use:
GHS08; serious health hazard	Toxic for reproduction cat 1A (article 57c)	Operator - No harm as no exposure during normal use	No alteration to parts.	Disposable gloves.
GHS09; Hazardous to the environment	Carcinogenic Persistent, Bioaccumulative and Toxic	Installation engineer. How – Harmful if ingested or inhaled	Wear Gloves, Avoid contact with skin. Dispose of gloves after use. Wash hands.  Dust not generated.	<b>Safe working Method to be Followed:</b> 1. Use disposable gloves for handling; 2. Do not alter pcb; 3. Wash hands after handling; 4. pcb to be disposed of in accordance with the WEEE directive.

**Disposal information**

This product is not intended for disposal in a municipal waste stream, but shall be submitted for material recovery and recycling in accordance with the local regulations implementing the WEEE Directive.
